# Sticker Buddies!

New Special Event for SCARAB 2023!

Sticker Buddies, a social game for our attendees!

Purchase a numbered sticker(s). Put your stickers in a visible place upon your person. Throughout SCARAB, you may see another attendee with a number, compare numbers and see if you have found your sticker buddy with a matching number. When you find your buddy successfully, return to the Sticker Buddy table with your Buddy, (both buddies must be present to claim prize) and you each claim a prize of your choice!

## Letter from the Convention Director

Greek philosopher Heraclitus famously remarked “The Only Constant in Life Is Change.” That has certainly been true for SCARAB this past year. The relocation to the Embassy Suites was not in our plans. SCARAB fully expected to return to the Medallion Center at least one last time. So, you can image the surprise and concern we felt when we received an email out of blue. There has been transition in the SCARAB ownership and the Board. New people are learning new roles. But, the one constant for SCARAB has been your support! SCARAB’s owners deeply appreciate your continued support during this year of change.

We hope that you enjoy having the accommodations and convention space under one roof for the first time in SCARAB’s history. It is unfortunate that space will be limited because of the mid-year move, but we appreciate your understanding in advance.

Finally, the biggest change is getting back to normal after the pandemic. It is great that we all will be able to see and game with each other again. Please enjoy these new surroundings with old (and hopefully some new) friends.
